Teacher

I have been teaching corporations, institutions, and individuals for over 40 years. I have tutored students as young as 6 and taught French to professionals as old as 70 plus years. My teaching credits include College of St. Thomas More, Southwest Christian School, the Anderson School for the Gifted , Klockner Stadler Hurter Ltd. and private schools for children affiliated with the Episcopal Church here in Fort Worth. I have developed a unique system that seems to garner much success and satisfaction.

I live at Eagle Mountain Lake with my wife Phyllis who has worked for over 12 years at the Lighthouse for the Blind. We are involved in community service work with the blind and visually handicapped individuals in our community and are strong supporters of the North Texas Humane Society and the American Society for the Prevention of Cruelty to Animals.
